The aim of the festival is to highlight the daily life and culture of this community, and convey the significant contributions it makes to Quebec society. This year, the spotlight will be on the region of Roumeli, situated in central Greece, and well-known for its costumes, dancing and cultural heritage. The event, which is free of charge, will be welcoming the Montreal Hellenic Community dance troupes, Terpsihori and Orpheas. The Hellenic Festival will be a Quebec-Greek celebration and a Montreal-style Mediterranean experience for all participants.
