

SAFETY RULES

Friendly cooperation is encouraged!

No diving and make sure there are no people or objects in the water before jumping from any area of the park.

No swimming underneath the modules.

No jewelry, watches, keys or other sharp objects.

It is forbidden to enter the park while impaired by alcohol / drugs.

No access to the park with any objects from outside the facility.

The activity remains 100% safe in the rain. However, in the event of a thunderstorm (thunder, strong winds, lightning), we will be forced to close access to the park.

Use of lifejacket is mandatory.

Minimum height required: 110 cm (3' 6")
Minimum age required: 6 years old

Children aged 6 to 11 must be accompanied on the inflatable structures by a responsible person aged 16 and over.
